

TREKKING EXPEDITION TO GEORGIA:

THE MOST BEAUTIFUL TREKKING IN GEORGIA – FROM **OMALO** THROUGH **SHATILI** TO **STEPANCMINDA**
THROUGH THE MAGICAL AND MYSTERIOUS **MOUNTAINS OF THE CAUCASUS** (+ THE AMAZING **TRUSO VALLEY!**).

THE PLAN OF OUR EXPEDITION

The most beautiful trekking route in Georgia, which leads through two of the wildest regions of the country: Tushetia and Khevsureti.

During this trekking, we will drive off-road vehicles along the most dangerous way in Georgia and the highest passable pass of the country, namely the Abano Pass (2850 m), and then we will cross the Atsunta Pass (3431 m) and the Chaukhi Pass (3338 m) on our feet. On the trekking route we will meet the inhabitants of the region, mysterious shepherds, and we will get to know local beliefs and traditions. There will be no time to rest from the breathtaking views. What is more, we will look at the mythical Kazbek and rest in the Truso Valley, which will delight us with its colors.

EXPEDITION PLAN

DAY 01

In the morning (5:00 am – 6:00 am) we meet in Tbilisi (at the airport or in the city center). You need to get there on your own. Of course, we can help you in organizing a good air connection and transfers from other parts of Georgia. If you do not have your trekking equipment with you, you can rent everything you need – sleeping bag, tourist cookers, trekking poles etc. with us and we will deliver equipment to our meeting place in Tbilisi. In our office you can also buy gas for tourist cookers and lyophilized products. Straight from Tbilisi, we drive to Omalo by off-road car (approx. 7 hours of travel, but on the way we see amazing views that compensate for a long journey - we pass, among

others, through the Abano Pass, which rises to a height of 2850 m!). By the way – shopping at the supermarket, because Tbilisi is the last place where you can find shops (there are no shops in Omalo). In Omalo – accommodation in a guesthouse, rest, free time to visit the Keselo Fortress and relax in the Omalo countryside. In the evening – dinner with wine. We spend the night in Omalo in the guesthouse.

DAY 02

We leave Omalo after breakfast. We pass through the magical villages of Tushetia (including the amazing Dartlo!) And get to Girevi, where we spend the night in the guesthouse. In the evening – dinner with wine. Throughout the trekking from Omalo to Stepancminda the horses carry our main luggage. We carry only small backpacks. During our trip there is always a high mountain guide and leader of the expedition (English-speaking), as well as local guides

who are responsible for looking after the horses and help during our possible ride on horseback from Omalo to Girevi.

This day, we spend the first night in our camp, which we will set up (in tents). During the mountain part of the trip (that is from the today' supper until breakfast on day five) we prepare all meals on our own – tourist cookers and gas will be necessary. Expedition leader

and guides, of course, help in the preparation of meals, but in principle – we prepare them on our own, so gas and tourist cookers will be necessary.

Tonight we get to Shatili. Shatili is a unique monument from the late Middle Ages (approx. 12th century). It is a perfectly preserved village-fortress, which rises in the ravine of the river, just 4 km from the border with Chechnya. This historic complex consists of about 60 towers that are connected with walls or piers. Towers standing outside often have wooden

balconies. The whole complex creates a compact, spectacular fortress. On our way to Shatili we pass beautiful Georgian towers in Mutso, shepherds' huts, abandoned villages and „houses of the dead“. Overnight and dinner in the Shatili Fortress, so it is an adventure in itself, because we will sleep in place from the 12th century!

From Juta, we drive an off-road car to Stepancminda (Kazbegi). We spend the night at the guesthouse in

In the valley we go on a delightful trekking through Khesari Canyon, mineral water springs, abandoned village of Ketrisi, two monasteries (women's and men's) straight to the Zakagori Fortress and

the border with Ossetia, where the Georgian military base is located. After the trekking, we drive to Tbilisi. We arrive to Tbilisi in the evening. Mountain Freaks are true professionals and do an amazing job. Fantastic team with a lot of passion for the business and for the clients.

Me and my wife did a private expedition to Kazbek without any previous experience. Preparation was easy and communication was smooth. They have many blog posts and detailed explanations about the expeditions on their website and social media as well. Our guide Ramazi was excellent and easy to communicate with. Very much recommended for anyone with a thirst for adventure!

Positive: Professionalism, Quality, Responsiveness, Value

We joined an expedition to mount Kazbek recently and had the experience of a lifetime. In the months leading up to the trip Aga fielded dozens of questions and during our stay she continued to oversee every aspect. Our expedition leader Ewa was clear and extremely knowledgeable in the mountains. Our guide Lexo was literally a life-saver. All the staff were helpful and patient. Highly recommended. N.B. if you need to rent gear do so early as there is limited availability.
